

HV Wooding Ltd: Estimator

HV Wooding Ltd has been established in Hythe, Kent, for over 40 years. Our core skills are in the manufacture of metal pressings and copper busbars, supplying some of Europe's largest manufacturers.

We are currently looking to recruit an Estimator to prepare quotations in accordance with our current profit margin policy to ensure that all quotations are realistically priced according to the client specifications and will involve working to tight deadlines to ensure that all of our customer's deadlines are met. This role will require someone with excellent negotiation and organisational skills together with a high level of commercial acumen.

We are looking for someone who ideally has a presswork or tool making background with a technical qualification, mechanical apprenticeship and or previous experience as an Estimator quoting mechanical components.

In return we offer competitive rates of pay, with a friendly, supportive and approachable management team in a customer focussed company.

If you wish to apply please send you CV to Jennie Olson, HR Officer, at jolson@hvwooding.co.uk or for more information call 01303 236 538.

Closing date: 1 October 2010
